

## **2012 Registrations - Where Your Fees Go**

It is often asked by members at registration exactly what their registration fee covers. Following is a breakdown of where it all goes. These are costs that we must pay and unfortunately have to be passed on in the club registration fee. In nearly all categories of registration, approximately 65% of your registration fee goes directly to Central Coast Football with components of that payment covering player insurance, FFA fees and FNSW fees and the up keep of Plum Park.

We are seeking sponsorship and your support at fundraising events to help keep these fees at bay. So please make sure you support your club.

Below is the breakdown of exactly where your fees go and what they cover.
